Alcohol Policy & Consent for Cool Rockers

It is the policy of Remember us that a limit of two alcoholic drinks per person, where authorised by parental consent, be allowed at events organised by Remember Us, such as Discos, Meal nights out or at any other event that may have an alcohol bar.

The reasons are set out below:

- Alcohol affects a person's concentration, balance and, after an initial euphoria, sleepiness sets in. A lot of members would have problems in these areas anyway, without alcohol.
- Another consideration would be a member's medication, if any, and the fact that vulnerable adults can become more vulnerable with alcohol, and that challenging behaviour could arise.
- The ratio of volunteers to members in such a setting and also the safety of the other members if a vulnerable adult became intoxicated and required the assistance of two or more volunteers, leaving other club members unsupervised, must also be taken into account.

Please tick one of the following options:

☐ I do give consent for (Members Name) _____ to have alcoholic drink, as per the limit set out above, when out with Remember Us Group

☐ I do not give consent for (Members Name) _____ to have alcoholic drink when out with Remember Us Group

I agree to abide by the above Policy
